Collection and Use of Personal Information

When you visit www.motorcraftservice.com we will not collect any additional personal information about you unless you provide it to us voluntarily. Personal data includes information that is particular to you such as name, street address, telephone number, email address, country and user type. If you opt not to provide us with personal information you can still access our website, however you may be unable to subscribe to web-based technical service information and training.

I agree I do not agree

Sharing Your Information – Consent to Consign Personal Data

www.motorcraftservice.com does not share, sell, or rent personally identifiable information with independent companies for their own use without providing you a choice.

Personal information that you provide to us in the course of using our site features or requesting a product or service through this website may be gathered and stored in one or more of our corporate databases.

I agree I do not agree

Processing of Personal Data – Consent to Provision of Personal Data Across Country Borders

By visiting this site and by providing your personally identifiable information to us, you understand and consent to the collection, use, processing, transfer, and disclosure of your personally identifiable and non-personally identifiable information globally --- including to the United States - in accordance with this Privacy Statement. Therefore, by visiting this site and by providing such information, you consent to the transfer of such information across country borders, and to the use, processing, and disclosure of such information in global locations. Your consent shall be deemed to include your consent to transfer of the personally identifiable or non-personally identifiable information to locations that may have

I agree I do not agree

STEP 6 →

7. To purchase a Service Info Subscription select “Service Info” on gray toolbar.

My Subscriptions

You do not currently have any subscriptions..

STEP 7

8. Select your “Term” and then select “Add to Cart”.

All VEHICLE LINES for model years 1994-Current

All Vehicle Lines subscription includes the following information:

- Workshop Manual
 - Wiring Diagram Manual (also referred to as EVTMs or Electrical Vacuum Troubleshooting Manuals)
 - Powertrain Control/Emissions Diagnosis (PC/ED) Manual
 - TSBs(‘94-Present)
 - Dealer bulletins for Field Service Actions (Recalls) (‘88-Present). These bulletins may be specific to a vehicle’s VIN and are targeted for U.S. Dealers and fleets having Ford in-house warranty. Some or all of the provisions specified in these bulletins may not apply to non-U.S. markets.
 - Access to a downloadable initialization (PATS) information.
 - Access to the latest calibration information for emission-related modules.
 - Access to Vehicle Specific Information (available for last 10 model years)
- Limited Vehicle Line coverage for 1994-Present model years.
